

FORT SCOTT CHRISTIAN HEIGHTS PARENT/STUDENT HANDBOOK

PHILOSOPHY OF EDUCATION

The philosophy of education of Fort Scott Christian Heights is based upon the premise that parents are responsible under God for the education and training of their children. Therefore, FSCH serves as an extension of the Christian home and was established to provide parents an opportunity for their children to receive academic instruction and character development in an environment free from humanistic philosophies.

There are three areas of development in a child that require special attention. These areas are spiritual, academic, and social. The goals of FSCH are: (1) Encourage all children to incorporate biblical principles in their character development. (2) Make learning a priority in the classroom. (3) Provide quality instruction to prepare children for life, not just how to make a living. (4) Provide activities which will help train and develop students socially. (5) Provide instruction to help students make the decision to accept Jesus Christ as Lord of their lives.

The successful development of a child depends upon the combined effort of home, school, and church working together. A child who achieves academically, desires God's best for their lives, and is prepared for life, will be successful.

The academic program, through the traditional approach, is developed to provide students with the best possible program of studies. The emphasis is upon the mastery of basic facts, as well as the development of the power of reasoning.

Statement of Social Position

Fort Scott Christian Heights, with the help of the Holy Spirit, seeks to walk in the truth of God's Word, the Bible. We desire to live like Jesus Christ who was full of grace and truth (John 1:14). We believe that God, in His mercy, spares us from what we deserve, and in His grace, He blesses us with what we do not deserve.

We believe that Jesus Christ's death on the cross completely paid for our sins, and His resurrection from the dead proved His victory over sin and death (I Corinthians 15:55-58; Romans 3:21-26). We also believe that since Christians have not only been assured of forgiveness, but also are dead to sin, we should not continue in sin so God can keep forgiving us. We who have died to sin should live in it no longer (Romans 6:1-2). Rather, because of God's great love in sending Jesus to die for us, we ought to live for Him (Romans 5:8). We have been set free from a life of sin. We are no longer slaves to sin, and we are called to not make a practice of sinning (Romans 6:12-13; Galatians 5:1).

It is our belief that many in the world today would seek to exchange the truth of God for a lie (2 Timothy 4:2-4). For this reason, FSCH would like to be clear in our stance regarding several controversial social issues of today. In doing so, we are not saying that these issues, or the sins involved in them, are bigger or worse than any other sins or issues. Sin is sin; and we are called to reject all sin. We specifically address these issues because modern society has both confused and, in some cases, deliberately and intentionally misrepresented what Scripture says regarding these behaviors

Truth of Scripture: As we address all issues of life, we believe that the Bible has supreme authority in all matters of faith and conduct. We believe that “all Scripture is God-breathed and is useful for teaching, rebuking, correcting, and training in righteousness so that the man of God may be thoroughly equipped for every good work” (2 Timothy 3:16-17). We believe that the Bible, consisting of the sixty-six books of the Old and New Testament, is the infallible Word of God, inspired by the Holy Spirit, and without error in the original manuscripts (2 Peter 1:21). Because the Bible is true it is the standard of moral goodness (Psalm 19:7-11).

Relationships: We believe that all humans are created in the image of God and therefore each individual is highly valuable. As a result, God expects all people to be treated with respect and honor. We are called to love and encourage one another as we strive for unity (Mark 12:29-31; I John 4:19-20; Ephesians 4:1-3). This means that all bullying, whether it is physical, verbal, cyber, written, or relational is sin.

Gender Identity: We believe that God wonderfully and immutably creates each person as male or female. These two distinct, complementary genders together reflect the image and nature of God (Genesis 1:26-27). Rejection of one’s genetically defined gender is a rejection of the image of God within that person.

Family structure: We believe that marriage is a covenantal relationship between one genetically defined man and one genetically defined woman (Genesis 2:24; Matthew 19:4-5). We believe that God created man and woman equally in His image, importance, and value, in God’s love and wisdom, they were given unique and complementary roles in marriage as a picture of Christ and the Church (Genesis 1:27; Genesis 2:18; Ephesians 5:22-31).

We believe that God has given the primary responsibility of discipling and teaching children to parents (Deuteronomy 6:4-9; Ephesians 6:1-4; Proverbs 22:6; Psalm 78:1-7). FSCH exists to come alongside parents in this journey to equip, strengthen, confirm, and reinforce biblical teaching at home.

Sexual purity: We believe that any sexual activity outside of the marriage bond is sin (Hebrews 13:4). Furthermore, because marriage is a covenantal relationship between one man and one woman, any sexual activity outside of the marriage relationship is defined by the Bible as fornication (Matthew 19:4-5). Fornication is sin. We believe that any form of sexual immorality that deviates from the biblical standard, such as adultery, pornography, homosexual behavior, premarital sex, bisexual conduct, bestiality, any attempt to change one’s sex, or disagreement

with one's biological sex, is sinful and offensive to God (1 Corinthians 6:9-10, 13, 18-19; Exodus 20:14; Matthew 15:19; Romans 1:26-27).

Sanctity of life: We believe that life is a gift from God and is precious. We believe that life begins at conception (Psalm 139:13-16; Isaiah 44:2a; Isaiah 49:5a) and each person's days are numbered by God (Psalm 139:16; James 4:13-15).

Doctrinal Statement

We believe in:

the reliability and inspiration of the Bible; the doctrine of the Trinity; the deity of Christ; the value and dignity of man and his sinfulness; the offer of forgiveness of sins and assurance of eternal life as a free gift from God, obtained through faith in Christ; the power of the Holy Spirit to purify the Christian and enable him to live a victorious, holy life; the reality of eternal joy, or eternal punishment after death; and the second coming of Christ.

DRESS CODE

The standard of appearance for students of FSCH is based on three principles: modesty, neatness and appropriateness. A student's clothing and appearance should always be pleasing and not draw undue attention to oneself, thus emphasizing the more important qualities of personality and character. Dress Code Violations

FSCH depends on our parents to work with the school in maintaining this dress code by checking your child before he or she leaves for school, and making sure he or she is dressed and groomed properly. It is understood that enrollment at FSCH means a pledge on the part of both parents and students to abide by this dress code.

Students who are not in compliance with dress code guidelines will be given the opportunity to change into something that resolves the issue and will be asked to make a different choice in the future. This is considered a verbal warning. Students who repeatedly violate this dress code will be given a demerit and asked to change or remain in the office until a parent brings appropriate clothing. Students are considered absent from class without excuse for any time spent in the office because of a dress code violation. If a student consistently violates this dress policy, their parents will be called for a conference with administration.

The administration reserves the right to make discretionary judgment regarding the appropriateness of student dress, hair, and fashion not explicitly covered in this dress code. The final interpretation of this code remains the responsibility of the administration.

ATTENDANCE

Our school highly values class time as a significant part of our curriculum in awarding credit for any course. Absences totaling more than eight days in a semester may cancel units of credit or result in dismissal from school. There will be an exception made if the student can show in writing that the absences were unavoidable. This may require a letter from a physician. There will be a letter mailed to the parent after six absences in a semester, and more than eight absences in a semester will require a conference between parents and the principal.

Students are expected to be in school except in cases of emergency or for reasons as explained below:

1. Personal illness or accident - The school may require the certificate of a doctor if it is deemed advisable.
2. Illness in the family.
3. Death of a relative.

Steps to follow when absent:

1. Have parent or guardian phone the school and inform the office of your absence before 10:00 a.m. of the day of your absence.
2. The day following the absence, the student must report to the office and obtain an admit slip. The office will determine if the absence is excused or unexcused.
3. Ask all teachers for make-up assignments if the absence is excused. (Each student is responsible for seeing that make-up work is completed.)
4. If the absence is not excused, there will be zeroes given in each class and no opportunity given for make-up work.

Any student enrolled in FSCH will be required to attend a full school day and be enrolled in at least five core classes including Bible class. A senior may enroll in one college class per semester and receive dual credits.

ATHLETIC COMPETITION ELIGIBILITY

In order for a student to be eligible to participate in athletic competition for the succeeding quarter, they must meet the following criteria for each quarter. First quarter affects second quarter, second quarter affects third quarter, third quarter affects fourth quarter, and fourth quarter affects the first quarter of the next year.

1. A student cannot be on probationary status, either academically or behaviorally.
2. A student must have an overall C average in their core classes (excluding band, choir, PE, and journalism).
3. A student must not have a failing grade in any class for the quarter.

ANTI-BULLYING POLICY

All students have the right to go about their daily lives without the fear of being threatened, assaulted, or harassed. FSCH is committed to providing a caring, friendly, and safe environment for all our students so they can learn in a relaxed and secure atmosphere, free from oppression and abuse. All types of bullying are unacceptable and will not be tolerated. Isolated instances of hurtful behavior, teasing, or arguments between individuals would not be seen as bullying.

Definition: Any intentional gesture or any intentional written, verbal, electronic, or physical act or threat towards an individual that is sufficiently severe, persistent, or pervasive that would create an intimidating, threatening, or abusive educational environment. (Taken from K.S.A. 72-8256)

Forms of bullying:

Verbal: name calling, teasing, put-downs, threats, spreading rumors, racist remarks

Physical: pushing, hitting, slapping, kicking, destroying property or any other form of violence

Social: ostracism or exclusion, ignoring, being unfriendly, hiding property

Cyber: all areas of internet use including social networking websites, nasty and/or threatening emails, misuse of blogs, gaming websites, instant messaging, and mobile threats by text message, inappropriate pictures or videos

Any act that insults or demeans an individual in such a way as to cause distress, reluctance to attend school, a decline in work standards or problem behaviors will be considered as bullying. Students who violate this policy will be subject to disciplinary action, up to, and including suspension or expulsion.

DISCIPLINE POLICY

This policy is primarily designed to be used as effective discipline control in grades 7-12.

Demerits will be given at the discretion of each teacher to any student who has violated school or classroom rules. The number of demerits given will depend upon the seriousness of the offense. (More than one demerit per offense will need to be approved by the principal.) All demerits given are subject to the review of the principal.

5 Demerits: A student is required to spend one-half hour in detention after school.

10 Demerits: A report is sent to the parents listing all offenses and the student will serve a one-hour detention after school and meet with the principal.

15 Demerits: A conference between the principal and parents will be required. The student will be required to serve one hour detention and will not be allowed to participate in any extra-curricular activities for a nine-week period. This would include sports, parties, field trips etc.

The demerits will accumulate for a semester. At the beginning of each semester, all demerits will be erased, but the extra-curricular prohibition may continue into the second semester.

If a student reaches the 15-demerit level for both semesters, it is evident that the student is not willing to follow the school guidelines, therefore, the student may not be allowed to enroll the following year.

Rewards

A student will receive one personal day per semester if they have no demerits and less than two absences in that semester.

PARENT RESPONSIBILITIES

Parent/Teacher Conferences

Parents of elementary students are required to schedule a conference with their child's teacher during the week immediately following the first quarter. Parents of students in grades 7-12 are strongly encouraged to meet with their child's teachers. One evening, usually Tuesday or Thursday, of the week following the first quarter are scheduled for parent/teacher conferences. Communication between parents and teacher is vitally important, however, when a conference becomes necessary it must be scheduled. For a parent to walk into a classroom and demand an immediate conference is not acceptable. Teachers are willing to schedule conferences in order to work out any problems.

Homework/Makeup Work

The philosophy of the elementary department is that homework will be minimal. However, when there are occasions when it is necessary, the teachers expect the parent's cooperation and understanding at these times. Parents and teachers must appear to the child as a team. When your child is sick and misses school for more than one day, it is the parent's responsibility to make an appointment with the classroom teacher and pick up their assignments. This must be done when the teacher has adequate time to assemble the assignments.

Parent Teacher Fellowship (PTF)

PTF is an organization which is comprised of parents, teachers, and friends, and is responsible for major fund-raising functions. The funds raised are primarily used for special projects and needs of the school. Parent participation is highly encouraged.

DONATIONS AND GIFTS

The monies which are received from tuition and fees only cover approximately 45% of the total operating budget. The low tuition cost enables more Christian parents to enroll their children in FSCH. In order to cover the deficit, there is a need to receive cash donations as well as other gifts. All donations are tax deductible.

LIABILITY INSURANCE

In case of injury to a student which requires medical attention, FSCH's liability insurance is secondary coverage. This means that only if a parent does not have medical insurance or has a deductible will the school's insurance pay.

MISCELLANEOUS

I. Lunch - FSCH does not offer a hot lunch program. There are microwaves available at the school for students to warm lunches that they bring from home.

II. Elementary Parties - There are usually four class parties during the school year: the fall party, Christmas party, Valentine's party, and spring party. If a parent has an objection to or a personal conviction against any of these parties, they are allowed to remove their child from the school for that time. If a parent is unable to remove their child from school, the teacher will not be expected to isolate the child from the party activities.

III. Head Lice - If a child is discovered to have head lice, the parent will be notified immediately and expected to pick the child up and begin treatment. The child will not be allowed back in the classroom until the school secretary or the teacher has checked the child's head. The only time that all parents will be informed is in the event of several cases being reported.

IV. School Day - For grades 1-12, classes will begin at 8:00 A.M. and will be dismissed at 3:45 P.M. Monday through Thursday. There will be no classes on Friday except as possible makeup days for inclement weather. Students will be allowed to enter the building at 7:50 A.M. and are expected to be out of the building by 4:00 P.M. Due to staff limitations, FSCH cannot be responsible for student supervision for those students who arrive earlier than 7:50 or remain on school property after 4:00. (This does not apply to those students who remain at school because of approved school activities.) Kindergarten class will begin at 8:00 A.M. and will be dismissed at 12:15 P.M. Preschool class begins at 1:00P.M. and dismisses at 3:45 on Monday, Tuesday & Thursday.

V. Weather/School Closing - There may be circumstances such as inclement weather when it becomes necessary to close school. When this happens, the office will notify parents by text. Social media will also be used to communicate with parents.
